Town Affiliation meets

The second annual meeting of the Town Affiliation Association of Upland will take place Tuesday, March 16 at the Arbor Restaurant, Foothill Boulevard and Euclid Avenue, Upland.

The meeting will follow a 7:30 p.m. dinner. Scheduled are the annual reports, nomination and election of officers and directors of the Association and to "enjoy dinner and a social time together with others who share a mutual interest in furthering international understanding and friendship through the Sister City concept.

Reservation deadline is Friday, March 12.

Little League walk

Community residents are reminded of the Walk Saturday, March 6, to finance the Little League Baseball Field at 8th and Sherman Way in Upland.

Walkers will set out about 7:30 a.m. from the proposed Citrus Little League Field and walk east on 8th St. to Euclid Avenue, north on Euclid to 24th, then south on Euclid to 8th Street and east to Hargis Field, corner of 8th and Sultana. The marchers will turn around there and march west to Euclid, north to 24th, south on Euclid to 8th Street and east again on 8th, returning to Hargis Field to complete their 20-mile walk.

Potential sponsors are asked to contact Mrs. Pat Grimm, 985-2341; Mrs. Ed Clark, 982-7042 or Mrs. Jim Stidd, 985-6933. A walker will be assigned and will contact the sponsor to sign him up.

Vision-hearing clinics

The series of free vision-hearing-screening clinics for pre school children 3-5 in the Upland and Cucamonga areas are underway under the sponsorship of the Foothill Council PTA.

Children who do not pass the screening are referred to their doctor to obtain appropriate examination and treatment.

Clinics will be held in Upland March 8, 9, 16, 17 and 22 at the First Presbyterian Church, 869 N. Euclid Ave., Upland from 9 a.m. to noon. Clinics were held this week in Cucamonga.

Cable TV session

The Upland and Montclair City Councils have been invited to join with the Ontario City Council in a study session Monday, March 8 at 7 p.m.

The session will cover Cable TV proposals for the area. Upland was invited, along with Montclair, because the Chaffey Union High School District, which overlaps all three communities, will be vitally involved with the system.

McCarthy replaces Rossiter

Upland City Councilman John McCarthy will replace Councilman Ronald Rossiter as city representative to the West Valley Planning Agency meetings.

Rossiter, stating that the WVPA's 4 p.m. meetings were at a "devilishly awful time for a businessman to attend" said he had "rather lost track" of the WVPA recently.

Elwin Alder, city manager, said a city staff member had attended the last two WVPA meetings so the city had had representation.

Councilman Harold Bailin said he felt attendance at the meetings was "extremely important" as this was the "only chance for meaningful dialogue" between neighboring communities.

The lack of communication with neighboring cities has been one of the big problems in the last six months, Bailin said.

City finance meetings

On the request of Councilman Harold Bailin, a special meeting, the first of several, on the Upland City finances will be held Monday, March 15 in the council chambers at 7 p.m.

Bailin asked that the city auditor be on hand to talk with the council on various facets of the budget and finances. Finance director Cliff Thomas has returned to work after a prolonged illness but, according to City Manager Elwin Alder, may not yet be up to attending evening meetings.

Bailin said he would like to plan additional finance meetings throughout the rest of the spring.

"It is foolish to do as in the past and go through the finances when we don't really know what's going on," Bailin said. He indicated he wanted thorough knowledge of the budget and its ramifications before the new budget was prepared.

Bailin, along with Councilman A.M. "Max" Hawkins and John McCarthy are on the special council committee on budget and finance.

White Tag sales

This week Alta Loma and Upland High School students are beginning to sell white tags.

Tags cost \$1 and entitle the buyer to a discount on purchases at participating merchants in the Alta Loma, Cucamonga, Etiwanda and Upland area.

Funds raised through sale of the white tags help finance American Field Service students from abroad on local campuses.

Sale of the tags ends March 17. White Tag Sale Days during which participating merchants will honor the discount tags, will be held March 17, 18 and 19.

AFS students

Mark Schneider of Upland High School has been selected to go abroad for the American Field Service summer program.

The son of Mr. and Mrs. Fred Schneider, 441 Arrow Route, Upland, received notification this week. His destination has not been settled.

Donna Fisher, also an Upland High School student, and daughter of Mr. and Mrs. Milton Fisher, 8553 Red Hill Country Club Drive, Cucamonga, moved from semi-finalist to finalist in the program. On being notified of obtaining a home, she should be sent to the northern hemisphere, according to local AFS sources.

Golf course 'fore' Upland?

BY BOBBE MONK

The possibility of a golf course in the northwest corner of the City of Upland will be considered at the Monday, March 8 meeting of the Parks and Recreation Committee.

The Welch Development Corporation, a group of five landowners headed by Cable Airport developer Dewey Cable, is proposing the establishment of the course on land they own in the area East of Benson Avenue, north of 13th Street and south of 15th Street.

According to the General Plan for the city of Upland, a golf course use is indicated in that area.

The corporation proposes to lay the course on the 67.5 acres they own and will ask the city for an additional 12.5 acres or more it owns in that area, for the 80 acres needed to construct a course, according to Paul Cable, son of Dewey Cable, who

is secretary-treasurer of the organization. He will make the presentation for the corporation at Monday's meeting which will begin at 7:30 p.m. in the council chambers, 123 E. D Street.

The younger Cable said the corporation would prefer to obtain 100 acres in the area to allow additional recreational development along the proposed 18-hole course. He said the outcome will hinge on the city and the price they may want to sell or lease the land to the corporation.

Cable foresees the public course as benefiting both the city and the development corporation. The city land is "laying dead" and the landowners are paying taxes on lemon groves.

"We can't afford to hold the land," Cable said. "We can't make it in lemons with taxing going up every year."

Cable said one of his main

concerns was that the golf course would provide "good protection" for Cable Airport, which is located immediately to the west of the proposed fairways. Planes arriving and departing Cable fly over the area constantly.

Cable said the golf course was just one of the proposals there had been for the land. About five years ago the Corporation was founded when an industrial park was planned for the area. This fell through, Cable said, when the city "decided it wanted a golf course."

According to Paul Cable, the golf course will be a "good investment" for the landowners, and for the city.

"We will put in the golf course at our own expense," he said. "If the city wants to have areas for recreation purposes, they can improve it with Parks and Recreation funds." He said the land, for such uses as tennis

and children's playgrounds, would be leveled and ready for the city to improve when the golf course was built.

Cable said he would arrange for a corporation which "just builds clubhouses" on golf courses to construct the clubhouse and handle it on a lease basis.

Fairways would be built, hopefully, with dirt from San Antonio Dam. Cable said he had learned the dam would be cleaned out. He said he had contacted the U.S. Corps of Engineers, who would be doing the work on the dam, to see if the dirt to be removed would be available.

Cable said the biggest cost of building golf courses was in the fairways, as high as \$15,000 per hole. "We feel, if we get the dirt, we can do it for \$3,000 per hole," he said, because two of the five landowners in the corporation have heavy equipment and can handle the work themselves.

Flood control—a priority project

San Bernardino County Supervisor Daniel D. Mikesell has announced that following the unprecedented loss of watershed in mountain fires which raged all across the San Bernardino Valley during the past season, \$4.7 million in emergency flood control work -- \$2.2 million in the valley's east end -- is underway in a top priority effort to prevent serious flood damage.

Even before the 110,000-acre fires were brought to a halt, the San Bernardino County Board of Supervisors was meeting with Mikesell in emergency session to seek state and federal assistance in coping with the threatening flood control picture being drawn by the sweeping flames.

As a direct result of efforts by the Second District Supervisor in pursuing the problem with state and federal offices in both Sacramento and Washington, D.C., the emergency funds were allocated and combined with \$500,000 in Flood Control District resources.

Funds from OEP

Federal funds were provided by the Office of Emergency Preparedness and work was assigned to the United States Army Corps of Engineers for physical performance.

Mikesell said a total of more than 30 separate projects are now in full swing in virtually every major canyon or stream affected by the fires. Having excavated approximately 2.1 million cubic yards of earth, rock and debris at a cost thus far of \$1.5 million, the program is 25 percent complete with total completion hoped for by Mar. 1.

Excavation completed

In the west valley below the San Gabriel Mountains burned by the Myer Fire from Lytle Creek to San Antonio Canyon, Mikesell said debris basis excavation has been completed at Marble and Frankish Canyons in the San Antonio Heights area above the City of Upland. A debris basin and dam in the same area are to be started this week at the mouth of West Frankish Canyon.

In the Cucamonga Creek area, about 250,000 cubic yards of debris removal from existing flood control facilities is about 75 percent complete. The rehabilitation of existing debris holding facilities estimated at a cost of about \$200,000 is also underway.

In the Alta Loma area at Demens Canyon, an \$80,000 emergency debris basin is 85 percent complete.

\$180,000 spent

Further to the east at Deer Creek, more than \$180,000 has been spent removing debris and building levees about the Chaffey College and surrounding areas. In lower Deer Creek areas, a \$150,000 project is in full swing to excavate a temporary channel from the Santa Fe Railway east of Turner Avenue southerly to join Cucamonga Creek near the San Bernardino Freeway.

Plead in Washington

Mikesell and other supervisors have personally carried the plea for assistance to high federal levels in Washington, D.C., explaining the need for permanent projects, including the \$42.2 million Cucamonga Creek project for Cucamonga, Upland, Ontario and Chino; the \$50.9 million Day-Etiwanda-San Sevaine project for the Fontana-Etiwanda

Field inspection

Second District Supervisor Daniel D. Mikesell discusses emergency flood control work being carried out in Demens Debris Basin above Beryl and Hellman Avenues in the Alta Loma area with E. K. Hultberg of the U. S. Army Corps of Engineers; Bau Escobar, County Flood Control District; and John Christenson of Match Corp. More than \$2.2 million in emergency debris removal is underway in the area affected by the Myer Burn.

da area; the \$24.9 million Lytle-Warm Creek project in the San Bernardino-Colton area; and the \$14.9 million Warm Creek project above Del Rosa.

The President's budget proposal for the coming fiscal year contains only \$400,000 for continuing engineering on the Cucamonga Creek project, and \$1 million to start the Lytle-Warm Creek work.

Flood Control District officials believe this is an entirely inadequate allocation for a program which must cope with flood and watershed burn hazards which are expected to be critical for at least 10 years.

To seek more funds

In spite of the President's proposed budget providing only a token program for the coming

year, County supervisors are expected to pursue the matter directly to Congress seeking practical amounts.

In the interim, Mikesell said the temporary emergency projects are proceeding rapidly and will provide a stop-gap type of aid to the valley while the struggle for federal assistance on permanent projects continues.

Voters go to polls March 16

'Space bond' unopposed

No organized opposition has arisen to the "space bond" issue facing Chaffey Union High School District voters March 16.

At that time voters will be asked to decide whether or not they want to approve \$1,450,000 for additional classrooms and educational facilities within the district.

According to Uplander Robert Bonde of the Citizens Space Bond Committee, the issue is being brought to the voters because in the entire district, which includes two Ontario high schools, and one each in Montclair, Upland and Alta Loma, there is room for 11,050 students. There are now 10,969.

Capacity is expected to be exceeded by 1,000 in 1972 when enrollment reaches 12,105. There are now that many students in the seventh, eighth, ninth and tenth grades in the system.

"We are basing estimates on bodies that are now here," Bonde said.

In order to alleviate the problem and avoid district-wide boundary changes, cross-town bus-

sing, overcrowding, or the construction of a new high school, the expansion of Alta Loma High School is proposed.

According to the argument in favor of the measure, which accompanied sample ballots sent to all registered voters in the district, signed by A. Richard Allred, president of the district board of trustees, Upland and Alta Loma High Schools are in the areas of greatest potential enrollment increase in the district. Both are already over capacity.

Relief can come by "transferring some of the students to another school" or building a second high school in Upland, according to the statement.

"Transferring a portion of Upland students to Alta Loma and expanding the Alta Loma campus will provide immediate relief for both schools," the statement said.

Although Upland and Alta Loma are both overcrowded, the Upland campus has already been built to capacity. Alta Loma still has the area to accommodate the needed facilities.

Planned are 20 classrooms, the enlargement of the library and physical education facilities and remodeling of service areas. Completion will expand Alta Loma from a 1500 to a 2500 student capacity.

Approval of the measure means the bonds would be paid off approximately 13 years after their original sale. Cost to the homeowner would average four cents per \$100 assessed valuation. A home with a "fair market value" of \$16,000 then would pay an average of \$1.34 per year for 13 years, according to the space bond committee's information.

Proponents of the issue say that the additions at Alta Loma, and the change to Alta Loma High of some Upland High School students would handle district needs for "three to five years without additional facilities or boundary changes."

Should the issue fail, bond backers see a "complete change of boundaries for 1972" as "inevitable." They indicate it would result in crowding at all the high schools within the district.

**Happy Birthday
time**

It's Happy Birthday time for all March celebrants. Astrologically speaking, March Birthdays are Pisces or Aries. Check your favorite astrology book or seer for your future. And, have a happy Birthday.

I don't know how it happened, but there are no four-day holidays this month. I thought the gov-

ernment was fixing the calendar so all months would have a four-day week-end.

Other notable observances in March are Girl Scout Week, 7-13; St. Patrick's Day, 17; Camp Fire Girls Birthday, 17; and Spring begins the 21st.

GS Week

Speaking of Girl Scouts, we say hat's off to this fine group for helping channel youthful energies to constructive purposes.

The purpose of the Girl Scouts is to inspire girls

with the highest ideals of character, conduct, patriotism and service so that they can become happy and resourceful citizens. Memberships open to all girls 7-17 years of age -- girls who accept the Girl Scout Promise and Laws.

Total membership in the Girl Scouts is nearly 4 million which includes 3,25 million girls and 670,000 adults. Since 1912 there have been about 31 million members -- 24 million girls and 7 million adults.

The first Girl Scout Troop was founded on Mar. 12, 1912 in Savannah, Georgia by Juliette Gordon Low. In a way, the Girl Scouts are a counterpart of the Boy Scouts. Together, they make up a vast reservoir of future responsible citizenry.

When we are tempted to become discouraged about the future of the U.S., we should recall these powerful forces for good that pervade the lives of so many youngsters. Girl Scout Week is a good time to reaffirm support of an enduring organization

that helps to guarantee a strong and lasting nation.

Mother Nature

It seems to me that Mother Nature has gotten quite out of hand recently. She seems to have joined the Women's Lib and is throwing her power around. Fires in the fall, high winds, cold days and really, that last caper involving an earthquake, was too much.

I love her virtues: soft winds, sunny days and the patter of light rain. But, her faults have got to go. If she doesn't shape up, we may all be shipping out.

Tired of labels

I, for one, am tired of people being labeled and sorted into categories, red, white, black, etc., mentally gifted, mentally retarded, physically handicapped, etc. What happened to just plain Americans who are just plain people? That's what we all really are. Let's throw the labels away and go back to being American people, period.

Macra-mae

Mrs. Rudolph Augarten (Mae) of Diamond Bar was the recent first, second and third place winner in the Pomona Valley Art Association annual stitchery and fabric show for her macrame hangings. Macrame, or square knotting, is an ancient art which is again becoming popular. Mrs. Augarten's work is primarily in jewelry, but her wall hangings were the prize winners. Her works are sold both locally and in the east under the name Macra-Mae of California. Mrs. Augarten conducts classes in macrame for Camp Fire Girls and local residents. Her macrame work is distinctive by the lavish use of beads and bells and the unusual choice of cords and colors.

School board filings told

At the close of filing Feb. 25 for the April 20 school board elections, all school districts had at least two and not more than 11 candidates vying for seats.

Chaffey College led with 11 filings, only one of them an incumbent. They are: John P. Fontana, financial consultant, 8995 Pepper Ave., Fontana; William Hutson, deputy probation officer, 5625 Della Ave., Alta Loma; Mihkel Raetmann, engineer, 240 Emerson, Upland; Jim Kelber, businessman-supervisor, 6340 Haven Ave., Alta Loma; Clarence H. Saunders, appointed incumbent, 1126 S. Campus Ave., Ontario; Nathan A. "Nat" Simon, businessman, 16756 Ivy St., Fontana; Herschel R. Glenn, attorney, 1452 N. 1st Ave., Upland; Lester Stroh, physician, 540 W. 25th St., Upland; W. L. "Bill" Lowry, educator, 229 E. Deodar, Ontario; William C. Draper, state building inspector, 118 E. 1 St., Ontario and Jerome Johnson, instructor, American government, 1566 Shelley, Upland.

Chaffey High

Vying in the Chaffey High School District are Emery C. Brewer, 607 E. H. St., Ontario; James S. Garlepp, appointed incumbent, 505 Cornell Ct., Upland; Michael F. Seeley, educator, 4472 Bonito Montclair; Robert G. Bonde, College adminis-

trator; 1335 Vallejo Way, Upland, Ralph Klineman, physician and surgeon, 2500 N. Euclid, Upland and Jim Housel, librarian, 1253 College Way, Ontario.

Alta Loma District

A race is shaping up in the Alta Loma School District with five men filing for two four-year positions and three filing for a two-year position. Signing up to try for four years are Roy W. Houtz, incumbent, 6942 Beryl Ave., Alta Loma; George W. Barber, probation officer, 6340 Napa Ave., Alta Loma; John A. Seymour, junior college teacher, 7080 Beryl, Alta Loma; Donald R. Peters, civil engineer, 9333 Lemon Ave., Alta Loma and Stanley J. Pace, psychologist, 8870 Monte Vista, Alta Loma.

The two-year contenders are Larry Beck, businessman, 5000 Gooseneck Rd., Alta Loma; Jesse D. Law, airline supervisor, 7055 Selma Ave., Alta Loma and Arline Zyzolowski, housewife, 9080 Roberts Ct., Alta Loma.

Central District

Three persons are competing in the financially-troubled Central School District. They are Charles B. Nelson, purchasing agent, 10189 Statford, Cucamonga; R.E. Browne, incumbent, 7344 Ivy Lane, Cucamonga

and Ruth Musser, housewife, 8225 Via Carrillo, Cucamonga.

Cucamonga District

Three are also in contention in the Cucamonga School District. They are Bernice J. Hart, incumbent, 8538 Madrone Ave., Cucamonga; Louis (Louie) N. Gonzales, social worker, 8567 Ramona Ave., Cucamonga and David J. Ortega, 8670 Edwin St., Cucamonga.

Etiwanda District

In the Etiwanda School District two are running for election. Names on the ballots will be Jimmy E. McAninch, appoint-

Conference on children and youth

Republican women hear findings

UPLAND -- Mrs. Shirley Abrams, one of the delegates named by Gov. Ronald Reagan to attend the White House Conference on Children and Youth in December, 1970 brought conference findings to the Chaffey Community Republican Women's Club at their Feb. 24 meeting.

Mrs. Abrams is president of the Pomona Valley Coordinating Council, active in drug abuse prevention and in Pomona PTA work, was one of 4,000 delegates to the gathering which studied "The child from birth to 13." The gathering which will consider the teenager and young adult is due to take place later this month.

She reported that the convention was divided into many study areas in the five days the group was in Washington. Although official results have not yet been released, Mrs. Abrams cited basic conclusions in her talk.

"Our children and families are in deep trouble. Society has the capacity to care and the resources to act. We need to bring children back into the lives of adults, and the United States, as a whole. The conference affirmed its commitment to bring the nation into a new era of caring," she told the GOP women.

Held every 10 years since 1909, Mrs. Abrams said the conference was opened this year by President Nixon who spoke to the delegates on his family assistance plan. He talked of the experience of being poor

without "feeling poor," and the need to instill dignity and escape from the stigma often attached to being poor, she said.

Some of the recommendations which came out of the conference included urging the reciprocity of accreditation for teachers among the states; effective recruiting of minority group teachers and students; making schools "community schools" with all activities of the community centering around the school and involving the children and their families; having education include the culture and life-style of minority groups; the inclusion, as a requirement, of a second language to enrich and reduce tendencies toward bias.

A few recommendations that arose in the study group to which she was assigned included urging the president to issue a statement on the effects of prejudice on children; teaching in each school the second language of the area in which the school is located if 10 percent or more of the students speak that language; preserving and encouraging the study of the culture; giving Indian tribes control of their schools; removing myths from textbooks; eliminating tests that determine the capability of a child which may create harmful expectations.

Mrs. Abrams said the primary concern of the forum was to request the president to express his commitment to end racism and discrimination and make it a number one

Children are topic

Mrs. Shirley Abrams attended the White House Conference on Children and Youth in December, 1970 and told the Chaffey Community Republican Women's Club about the recommendations at the club's recent meeting.

priority; provide better child justice laws; finance federal child health care programs; establish a child advocacy council; of major importance, establish community citizen action groups to implement recommendations from the council. Mrs. Abrams pointed out the delegates "did

not intend to let the conference findings die" and that pending formation of action groups, delegates were carrying the message of the conference to their communities themselves. As she noted, the conference 10 years ago produced the ideas of teen posts and the Headstart programs.

Foothill Freeway 'out' for rock truck woes

Following up on their trip to Sacramento last week to present the Euclid Truck Problem to state legislators, the Upland City Council is drafting a resolution to restore the Foothill Freeway to the Interstate Highway and Defense System.

The proposed Foothill Freeway, now stopped in the San Dimas-La Verne area, is considered the "only real practical means wherein the gravel might be transported from the areas of excavation" in Upland by rock trucks to their markets "without causing substantial damage to the residences on Euclid Avenue and other avenues in the City of Upland" and causing a safety factor.

Return to Federal status is sought so federal funds will be available for its construction east of La Verne. The freeway has been anticipated for the area between 19th and 20th Streets in Upland.

Upland Mayor George Gibson asked that the proposed resolution be "beefed up" and include the noise pollution factor and weekend passenger car traffic on Euclid Avenue which "creates hardship and depreciates value."

The resolution, when

completed, will be sent to state and national legislators.

Later in the meeting Donald Maroney, attorney for the city, asked about the decibel level the council wanted included in the proposed resolution.

They also discussed, on a question by Councilman John McCarthy, the speed limits on Euclid and whether it would be better to change the current 25 mph for trucks and 45 mph for cars to a 10 mile differential such as is used on freeways. In this way the trucks would travel at 30 mph and passenger cars at 40 mph.

The council decided to leave the matter as it is, with the voluntary 25 mph limit for trucks, until the month-long trial is completed and results of the effort can be studied.

The council also considered a dinner meeting to which Congressman Jerry Pettis (R-33rd Dist.) and members of the State Highway Commission and other officials would be invited, to allow area residents interested in completion of the Foothill Freeway to consider the problem and determine what action could be taken to restore it to the interstate system.

'Faith missionary work'

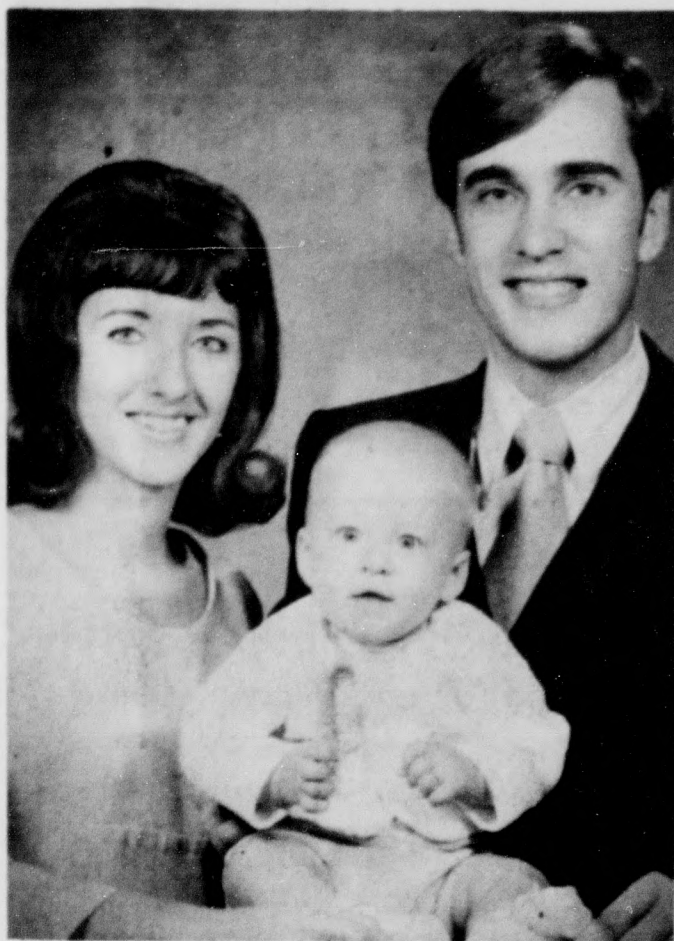

Uplanders Germany bound

UPLAND - Loerrach, Germany, located on the German - Swiss border will be the home for four years of a young Upland couple and their baby son. Mr. and Mrs. Del Huff and Darrin, 5 months, have been accepted by the Janz Brothers Gospel Association whose radio and evangelism and crusade headquarters are located in Loerrach.

Members of the Nazarene Church of Upland, the couple will be doing what Huff calls "faith missionary work." They will be involved in crusade work, putting on meetings, pre-organization of the meetings and follow-ups. When they are not on a crusade, they will be making radio broadcasts and recordings. Huff plays the Cordovox which resembles an accordion and sounds something like an organ.

Presently, the Huffs are involved in raising funds to take care of them for the four years they will be abroad. The Janz Brothers Gospel Association is not underwritten by any particular group or denomination. It is dependent upon donations and each member of the Association is required to raise his own support. To do so, the Huffs hold meetings at various churches throughout the United States.

The couple have both been involved in Christian music since the time they met at Azusa-Pa-

Public hearing gets continuance by city

The public hearing on the formation of an Underground Utility District on Foothill Boulevard from Grove Avenue west to the West Cucamonga Flood Control Channel was continued to March 15 by the City Council Monday night.

The continuance was urged by Councilman Harold Bailin on ascertaining that the information and resolution mailed to the five business firms affected did not contain an indication of cost to each business of the formation of such a district.

A second letter will be mailed to the businesses along that stretch of Foothill to inform them of the approximate cost to each business for the undergrounding.

The Edison Company makes available a certain amount of money each year for the undergrounding. However, the cost of hooking up to the main line, which runs along Foothill Boulevard, is up to the individual businessman, City Manager Elwin Alder said.

Businesses failing to hook-up face the possibility of losing their service or, should the hook-up be made, of having a lien against their property for the cost of the hook-up.

One way is to check out the use of energy right in your own home.

Energy is essential to the economy and to the environment. Without it nearly everything in your home would stop, including cooking, heating, cooling, television viewing and your water supply.

Outside, most factories would shut down.

From time to time other sections of the nation have faced a shortage of energy—electricity and fuels such as oil, coal and natural gas.

So far, there has been no shortage of electricity here and no shortage of fuels for your residential requirements. But even so, why use more energy than you really need—whatever the type?

By not wasting energy you'll be helping conserve our country's natural resources, which in turn contributes to the protection of the environment.

Here are a few suggestions to consider:

Check your home's insulation. You could be using up to 50% more energy than necessary to heat or cool

your home. You'll be dollars ahead in the long run with proper insulation. Incidentally, most homes with electric heat are already insulated.

For the same reason, install weather stripping on doors and windows.

Keep your damper in your fireplace closed when not in use.

When the weather gets very hot or cold, draw your drapes and curtains. This will help reduce the demands on your heating or air-conditioning systems.

If you leave the heat on while you sleep, set your thermostat at 60°. Special thermostats are now available to do this automatically. The lower you set your thermostat, night or day, the more energy you will save.

If you happen to have electric heating, you probably have separate thermostats for individual rooms. If so, you can turn them down in rooms not in use.

Don't use your oven to heat your apartment or home.

Turn off lights when not in use.

That seems obvious, but some people believe it costs more to turn lights off and on. Untrue. (An exception is fluorescent lights. Turn them off only if you won't be using them within 30 minutes.)

In summertime, set your air-conditioning thermostat as high as you can without being uncomfortable. The greater the difference between the indoor and outdoor temperature, the more it costs you.

To keep your house cooler, shade window areas from direct sunlight. Use awnings or plants that shield windows.

To cut cooling costs, install an exhaust fan in your attic. It can reduce heat transmitted through your ceiling.

Check the temperature setting on your water heater. Controls are set too high in many homes. And fix leaking faucets to save water and energy.

Operate your dishwasher only with a full load. Same holds true for your washer and dryer.

Citrus LL try-outs

CUCAMONGA -- The Cucamonga Citrus Little League will hold try-outs on three consecutive Saturdays, March 6, 13 and 20 at the little league field across from ALHS. Boys must qualify in two out of three tryouts for ages 9-12 who played on minor leagues last year or are new to the league for placement on major league teams.

Any boys who have not already registered, may do so at the Little League Field prior to try-outs. They must have a state certified birth certificate.

Anderson named at Cal-Poly

POMONA--Roy Anderson has been named to fill the new position of assistant athletic director - development at Cal Poly, Pomona by Athletic Director Don Warhurst. The appointment, which takes effect immediately, will be in addition to Anderson's present duties as head football coach. Primarily, the new position is responsible for the development of athletic employment, on and off campus. It also consists of coordinating fund-raising activities concerned with the grant-in-aid program.

The later responsibilities will entail providing

liaison with the alumni executive secretary and organizations such as the Cal Poly Pomona Associates.

In performing his new duties, Anderson is directly responsible to the athletic director.

Anderson joined the Cal Poly coaching staff in 1969. He completed his Bachelor of Science in 1947 and his Master of Science in 1950 at the University of New Mexico.

He retired from the U.S. Air Force with the rank of Major.

He currently resides with his family in Diamond Bar.

MSAC holds winning record

SAN DIEGO--Ten South Coast Conference Relay records fell at Balboa Stadium Saturday in a meet originally scheduled earlier in the week but postponed due to rain. Although the day was less than ideal for track and field, it did not inter-

fere with the record performances turned in with the leading assault by Mt. San Antonio College. With six of the ten new marks, they backed these winning performances with five second places and one third in the fifteen-event schedule.

MSAC in conf. meet

WALNUT -- As slated, the traditional track battle between Mt. San Antonio College and Santa Ana College turned out to be the feature J.C. meet of the week. Mt. SAC kept its winning South Coast Conference record intact by an impressive 103 to 43 score. However, the competition was closer than the 60 point spread indicates.

A dropped baton in the

opening 440 yd. relay, a flanker finish in the 100 yd. dash in which seven men ran under 10.0, and some sensational performances from iron man Mike Hill, hurdlers Doug Todd and Charles Penn, and from freshman field star Brutus Monson, made the duel one of the finest in the twenty-six year Mt. SAC-Santa Ana rivalry.

All boys must be accompanied by a male adult.

This month the PTA will also have a Mother and Daughter Night to be

held on Tuesday, March 23, 7:30 p.m. at the school in rooms 18-19.

They will be presenting Miss Connie Carroll, the Wendy Ward director of Covina. Miss Carroll will speak on good grooming, poise, dress and etiquette.

At each affair, drawing will be held for a gift certificate and refreshments will be served.

Armstrong PTA

DIAMOND BAR—An assembly was held Wednesday, Feb. 24, at Neil Armstrong School, to announce the winner of the contest to choose a school mascot.

Earlier, children had been asked to submit pictures of a proposed mascot for the school, to be reproduced on school sweatshirts. The PTA acted as judge, with winners to receive free shirts and all submitting pictures to receive certificates at an awards assembly held the end of the year.

The exact eagle drawing submitted by the contest winner, Jan Manley, was then reproduced on the school sweatshirt. Jan and the two runners-up, Cindy Roarby of the lower grades and Robert Camboa of the upper grades will all receive a free sweatshirt.

The other students who had their drawings in the finals are: Michelle

Brander, Daniel Snider, Suzanne Denchfield, Randy Wilson, Joseph Vitale, Donald Robertson, Edwin Pattison, Mike Pangel, Barton Brown, Mike Atkins, Robbie Elwell, Terry Dehnen, Katrina Swangler, Deborah Thornton, Anselmo Gonzales, Tamara Silvey, Myron Tuolosega, Pamela Denchfield, Leslie Cotterman, Karen Simard, Kim Swain, Robert Hancock, David Snider, Michelle Rubin, and Danny Moody.

Order blanks are being sent home with the students for ordering school sweatshirts. This is a money making project for the PTA. The sweatshirts sell for \$2 for children's and \$2.50 for adult sizes.

Moreno PTA

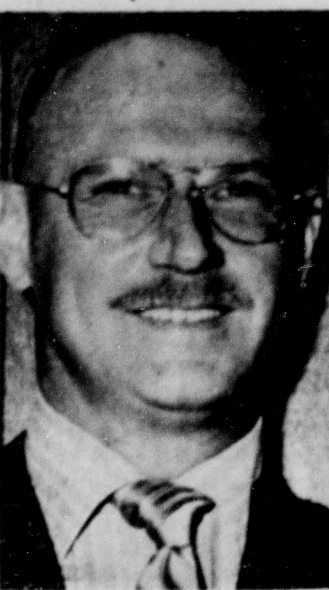

MONTCLAIR—Moreno PTA held its annual Founders Day program Feb. 18. The flag was presented by the TanDa Campfire Girls led by Mrs. Manuel Meza.

Mrs. James Ott, chairman of the honorary service award committee, presented awards to Mrs. Stan Cullington, Mrs. Neeta Livesay, Mrs. Gene Lembo, and Mr. Stan Cullington.

Mr. Lee Brinkman member of the Citizens Space Bond Election Committee spoke on the upcoming bond election being held on March 16. Refreshments were

served following the meeting.

Male president

Tom Fitch

UPLAND—California Highway Patrolman Tom Fitch has been chosen as the first male president of the Cabrillo Elementary School PTA.

The organization made their selection in February at the annual Founders Day Luncheon at the Sycamore Inn.

Fitch said he intends to "strive for more parent-participation. I don't feel the community as a whole has involved itself enough with school issues."

Fitch said he felt parents should become involved with the total school program and not solely with PTA.

Alvarado PTA

ROWLAND HEIGHTS—The Alvarado Intermediate School PTA unit will sponsor a skating party for students on March 9, from 7 to 9 p.m. at Roller City.

The Tuesday evening event will be priced at \$1 per person including skate rental.

Popular and organ music will be presented and a door prize will be awarded.

Roynon PTA

LA VERNE—Roynon PTA will hold its regular unit meeting on Tuesday, March 9, at 7:30 p.m. in the school cafeteria.

An authorized first aid instructor from Pomona Red Cross Chapter will speak and give demonstrations on mouth-to-mouth resuscitation.

Farjardo coffee

ROWLAND HEIGHTS—Mr. Moe, Farjardo School's Principal has invited all interested parents in the area to host an informal coffee in their homes. Anyone willing to host a coffee, please call 213-965-1537 for an appointment.

"This will bring a closer understanding and relationship between the home and the school and provide an opportunity for some type of dialogue between parents and school, open discussion, debate on relevant topics, subjects being taught, discipline theories, methods, etc.," states Mr. Moe in the recent issue of the Farjardo PTA Newsette.

Donations of toys and other items, from local merchants are still needed for the June 5 Carnival. Please contact Mrs. T. J. Patterson, secretary at 213-964-8424.

Parent clubs meet

LA VERNE—The Rev. Martin O'Loughlin, principal of Damien High, announces that a joint meeting of the three parent clubs in the school will be held on Monday night, March 8 at 7:45 p.m. in the music room.

Jerry Fahey, president of the Spartan Parents Association, will preside over the meeting, along with Mrs. Roger Franceschi, president of the St. Monica's Guild, and Ray Martin, president of the Booster Club.

The spiraling costs of Catholic education and the effect it has had on Damien will be discussed by Father O'Loughlin.

Mrs. Franceschi will give a report on the Annual fashion show luncheon scheduled for April 17 at the Now Grove. This is the major fund raising event of the Guild with all proceeds to be used for completion of the library.

Mrs. Eugene Pohl at (213) 339-4142, accepts reservations.

The Basketball-Soccer awards banquet will be Mar. 11 at 6:30 p.m. in the gym.

Fashion flingers

Shawn Moore, Lisa Peters and Suzie Knauer practice for the Spring Fling Fashion Show of the Alta Loma Elementary School PTA slated March 11 at 7:30 p.m. at the school. Area seamstresses interested in having their apparel modeled may do so by contacting the school. All fashions shown will be home-made.

'Cabaret' cast

Chaffey College's Ralph Strane asks for more expression - and gets it - as he puts three of the "Cabaret" cast through the paces before opening night. In the role of master of ceremonies is John Silvera. He is flanked by chorines Bev Rogers (left) and Kathy Burns. "Cabaret", a musical depicting the dark eve of the Third Reich, will be staged in the Chaffey College little theater, March 5-6 and 12-13. Curtain for the Broadway hit will be at 8:30 p.m. with the creative arts and physical education divisions joining forces. General admission to "Cabaret" is \$1.

CLUB DOINGS

Italian Catholic Federation

UPLAND - The Italian Catholic Federation met recently at St. Joseph's Hall in Upland. President Joseph Palmisano presided.

Committee chairmen were chosen for the year. They are, charity, Humphrey Barbarossa; telephone, Mrs. Don Moe; sunshine, Mrs. John Lombardi; communion, Mrs. John Antoni; refreshments, Mrs. Nicola Mannerino and publicity, Mrs. Joseph Vagnozzi.

Mrs. Antoni was the chairlady for the fifth annual get-together held on Feb. 27 at Cassaletti's Polka Place in Etiwanda. Four new members were introduced at this

meeting. They are Mr. and Mrs. Roland Richardson, Pauline Malvaso and Teresa Butera.

Preceding the meeting, a pot luck dinner was held. On the committee were Mrs. Mannerino, chairlady and Mr. and Mrs. Antoni and Mr. and Mrs. Barbarossa.

The next meeting will be on March 9, and it will be a Mardi Gras.

Toastmasters

MONTCLAIR - Ralph Nathan was selected as best speaker for the week at the Toastmasters Club 12 Monday meeting. His chosen subject was "Earthquake".

Others honored were Phil Lacy as best table topic speaker and most

improved speaker, Joe Sweat, spark plug winner, and Bill Harris, best evaluator.

The Education Feature was presented by Bill Harris, speaking on "Introductions". Other featured speakers for the evening were, Lou Biggs, Lou Carscaden, Bob Haage and Wilson Gillingwaters.

Toastmaster during the meeting was Dr. Bill Meyer. Harold Furno served as grammarian, Asa Edens as chief evaluator and table topics chairman was Joe Sweat.

The club meets every Monday evening at Griswold's in Claremont beginning at 6:30 p.m. Visitors are welcome. Further information may

be obtained by contacting Art Savaiano at home 982-7446 or during the day at 629-5332.

Altar and Rosary

UPLAND - The Altar & Rosary Society of St. Joseph's church in Upland met recently in the school library. Mrs. Marlin Bouch, president, presided.

Mrs. Bouch introduced new guild captains; Our Lady of Fatima, Mrs. Frank Henderson, presentation, Mrs. Raymond Bambeck; queen of the rosary, Mrs. Joseph Orzech; sacred heart, Mrs. John Wassell; St. Ann, Mrs. Edward Hurley; St. Bernadette, Mrs. Raymond Scarpelli; St. Catherine, Mrs. Henry Montoya; St. Cecilia, Mrs.

Rudy Wehner; St. Theresa, Mrs. Frank Wucherphening; and St. Veronica, Mrs. Theresa Ball. Mrs. Bouch announced also that the Von's "Luncheon is Served" will be held on Oct. 19 in the hall. She also announced that the Deanery women will hold a Salad Luncheon Card Party in March. The proceeds will be donated towards the Seminarian fund. This fund helps needy young men who are studying for the priesthood.

Vice president, Mrs. Al Canestro introduced Rev. Lawler of the Women's Prison in Chino. He spoke on the new program which helps the inmates get jobs. Mrs. Canestro also announced that at the March 9 meeting, a hypnotist

will be the guest for the evening.

The Sacred Heart guild ladies were the hostesses for this meeting. Next meeting, Queen of the Rosary guild will be the hostesses. It will be held at 8 p.m. in the church hall.

San Antonio DAR

UPLAND -- San Antonio Chapter, Daughters of the American Revolution held its annual reciprocity colonial tea on Monday, Feb. 22, at the Chaffey Community Cultural Center in Upland.

The chapter regent, Mrs. Maurice Bonillas, presided and welcomed the group. Guests were introduced by Mrs. Joseph Visnak.

Mrs. Carroll G. Kiskick, program chairman, introduced David V. Villaseñor, artist and sculptor, who presented "American Indian Sand-painting" through the use of slides as he explained the method and symbolism of each painting some of which represented prayers and ceremonial chants of the Indian tribes. One of the most interesting slides showed a sand painting done for the Eisenhower Memorial Park in Seal Beach of the late President Eisenhower which is made up of colored sand from all 50 states.

Also among guests presented was Jean Villaseñor, wife of the speaker, who co-authored one of his books.

Mrs. Visnak, DAR State Chairman of National Defense presented four senior high school girls with the DAR Good Citizen Awards. The girls are chosen for this honor by their classmates. The mothers of the girls were introduced and pinned the award on their daughters.

Recipients this year included Janine Whiteside of Alta Loma; Beverly Lewman from Upland; Kathleen Ronnie from Ontario High; and Marcy Faulk. The mothers were Mrs. W. H. Whiteside, Mrs. Walton Lewman, Mrs. Gerald Ronnie and Mrs. Doyle A. Faulk.

Also present was Miss Faulk's counselor, Mrs. Joseph W. Jennings.

Women Realtors

UPLAND — The Women's Council of Ontario-Upland-Chino Board of Realtors meet Mar. 4, at the Phoenix Restaurant at 11:45 a.m. Lunch will be served promptly at 12:15. Program chairman, Freda Shelley, announces that two exchange students, Udo Sauerssig from Germany, and Emad Kodah from Jordan, now attending Chaffey High School, will share their views of our country and tell about their respective countries.

SACH dinner-dance

UPLAND — Astrological signs are favorable and all systems are go for the San Antonio Community Hospital Women's Auxiliary Carrousel Dinner-Dance, March 6. The fund raising project will aid the building program for a nurse's station in the hospital's expansion. The semi-formal evening will begin at 8 p.m. at the Ontario National Golf Course and is by invitation only.

New Uplanders

UPLAND — A style show will be featured at the March 10 meeting of the

New Uplanders Club, to be held at the Diamond Bar Country Club.

Fashions from the "Purple Parasol" in Upland will be modeled. Fashion coordinator for the show is Mrs. Robert Fitzgibbons. The business meeting will begin at 11 o'clock, followed by lunch and fashions. Newcomers of less than one year in the Upland area are invited to attend the monthly luncheon meetings held on the second Wednesday of the month. Call Mrs. Bruce Wishard at 985-5679 or Mrs. Giles Clark at 985-7634 for further information and reservations.

Xi Gamma Kappa

UPLAND — Xi Gamma Kappa members of Beta Sigma Phi attended a pre-dinner champagne cocktail party recently prior to the sorority's first annual Valentine dinner dance.

Mrs. Ed Brown was officially crowned XGK's valentine queen and presented with the Beta Sigma Phi crown pin, a traditional gift of the organization.

At a recent meeting of the group a discussion was conducted on patriotism. A going-away coffee was also conducted recently in honor of Mrs. Jerry Neisen.

Euclid Avenue Camera Club

UPLAND — Mrs. Marion Miller of 725 W. 25th St., Upland, will show color slides taken during a vacation trip to the East Coast of Africa last fall at the meeting of Euclid Avenue Camera Club, Friday, March 5, in the chemistry room at Chaffey High School, Ontario.

At Mombasa, Kenya, she joined a group which went by steamer to the Seychelles Islands in the Indian Ocean.

Mrs. Miller, who is an active member of the camera club, took pictures of whatever ap-

pealed to her, the subjects including people, birds, animals and landscapes. Club sessions are open to visitors.

Hospital Auxiliary

MONTCLAIR — Central Memorial Hospital Auxiliary, soon to be known as Montclair Community Hospital, sent representatives to the California Hospital Association volunteer division convention at the Disneyland Hotel in Anaheim, Feb. 16 to 19.

Reports were given at the March meeting by Mmes. Robert Green and Eugene Houghton who attended.

Art Association

UPLAND-A critique of members work, conducted by Mrs. Andree Tolstoy Mahoney will be the program for the next meeting of the Chaffey Community Art Association.

The meeting will be held March 8 at 7:45 p.m. in the Conference Room of the Ontario City Library, 215 East C Street. Painting members of the Art Association are invited to bring two paintings to the meeting for the critique.

Andree Tolstoy Mahoney was graduated from

Scripps College in 1954. She received her MA in Art education in 1960, and her MFA in ceramics and painting in 1968. Both degrees from the Claremont Graduate School.

Andree Tolstoy Mahoney has exhibited at Chaffey College, Scripps College and Cal Poly. She is teaching advanced painting Tuesday and Wednesday evenings at Chaffey College.

A social hour will follow the Critique. Much of the group's membership is drawn from Upland.

Upland OES

UPLAND -- Approximately 160 members and visitors gathered Feb. 22 in Upland Masonic Hall to honor the Line Officers of Upland Chapter OES.

Mrs. Roy McCrary, associate matron and Harvey Wilkin, associate patron, presided during the evening. Also honored were Mrs. Dale Gross, conductress and Mrs. Donald Herschberger, associate conductress.

Mrs. Hazel Goodwin, associate matron of Gate City Chapter, San Bernardino and Cecil Narr, associate patron from Star of the West Chapter,

Pomona, were guest associate matron and patron and the other stations were filled by visiting line officers.

Also escorted and introduced was Mrs. Ernest Moe, deputy grand matron from Euclid Chapter, Ontario, and other dignitaries.

The following past matrons and past patrons of Upland Chapter were escorted and introduced, Mrs. Alta Lawyer, Mrs. Maude Grahame, Mrs. Merle Kough, Mrs. Edna Rowe, Mrs. William Morrow, Mrs. Neal Henderson, Mrs. Joseph Nadon, Miss Eunice Mitchell, Miss Suzanna Bradley,

Mr. and Mrs. Robert Prest and Mr. and Mrs. Jay Thrasher.

Mrs. Irene Furlone was given special escort with Mrs. Oren Peck, Claremont; Mrs. Wm. Wallis, Pomona, and Mrs. Glenn Mikesell, Ontario, past matrons who served Grand Chapter as deputy grand matrons.

Mrs. Anthony Barone, worthy matron, and Neal Henderson, worthy patron presided during the business meeting and announced that the meeting of March 22 would be the worthy grand matron's official visit and would be held in Ontario Masonic Temple. It was al-

so announced that members would attend a theater party at Gallery Theater on April 21.

Following the business

meeting Mrs. Gross and Mrs. Herschberger presented monetary gifts on behalf of the officers to Mrs. McCrary and Harvey Wilkin.

Cucamonga students

CUCAMONGA - "I'm writing for the sake of the people in Cucamonga, California," began one letter to Jerry Pettis, U.S. Congressman from the Cucamonga area. The letter was from Diana Weathersby, a student at Los Amigos Elementary School in Cucamonga.

As part of an English class project, she and her classmates in Michelle Foster's sixth grade class, wrote President Nixon, Congressman Pettis and Senator John Tunney.

The subject matter was important to them. They were asking for a release of federal funds, \$150,000 to build a flood control channel along the city's Turner Avenue. The money had been frozen at the federal level.

As Rudy Fuentes said in his letter, "The county needs the money to build a channel to run along Turner Avenue. I hope you will release the money to build the channel because our town needs it bad."

Jesse Acuna was a little more direct, "My fa-

Hunter

Safety

ALTA LOMA-A Hunter Safety Course will be held in Alta Loma Friday and Saturday, March 5 and 6.

Gene R. Hubler, small arms instructor with the National Rifle Association, will conduct the classes at 7065 La Ronda Ct., Alta Loma from 6:30 to 10 p.m. both evenings. Classes are for young people 10-18 years of age.

The course satisfies 75 per cent of the credit toward the Scouting merit badge (rifle and shotgun) for the Boy Scouts.

All persons, regardless of age, who wish to purchase a hunting license in California must show a prior California hunter safety course, Hubler said.

The course, taught by Hubler, has won a meritorious award for the second time in two years from the NRA. Hubler is an NRA instructor in rifle, pistol, shotgun and home firearm safety; a California Department of Fish and Game Hunter Safety instructor and counselor for the Old Baldy Boy Scout rifle/shotgun merit badge.

Ayala to address

UPLAND -- Ruben S. Ayala, chairman of the San Bernardino County Board of Supervisors, will speak to members of the West End Democratic Club March 9 on "Your County Government in Action."

The session will take place at the Upland Inn, 123 E. 9th, with a no-host cocktail hour at 7 p.m. and the need to instill dignity and escape from the board of supervisors since 1966. He was a Chino City Councilman from 1962 to 1964 and served as mayor from 1964 to 1966. He has also served as chairman of the San Bernardino County Health Committee, 1968; director Pomona Freeway Association, 1968; judge, San Bernardino County Council of Community Services (health and welfare recognition awards) March 1970; appointed by President Nixon to serve on the National Alliance of Businessmen Committee meeting in Washington, D.C.; appointed as Chino Valley Community Medical Center Association, chairman, 1970; member Human Resources Committee, 1971.

The club invites everyone to attend the meeting and hear this outstanding speaker. Refreshments will be served.

Drawing of the February door prize was won by Arthur Accomazzo, it was a \$7.50 dinner ticket to the Gala. The club will offer another ticket at this meeting. Richard Riley was the winner for the Gala slogan "Involvement - Key to Victory."

seek flood funding

ther has lived in this town of Cucamonga for 57 years. I hope you will let me live out my life that long too."

The students were alerted to the flood problem by the Cucamonga-Alta Loma Junior Women's Club who had asked that community members write to their representatives asking for the flood control money. The class teacher, Mrs. Foster, brought in the letter and

asked the students to write to their representatives. The only help she gave them was proper addresses and the official title of the project.

The women's club has already met with some success as part of the money they were requesting for pre-planning has been unfrozen. However, the money for the "Northtown Project" the children are concerned about, is still in the deep freeze.

Scholarships offered by Delta Theta Chi

UPLAND - Applications for two \$300 scholarships for young women majoring in the fields of fine arts and/or education are being accepted by Delta Theta Chi Sorority, a National Non-Collegiate Cultural Sorority.

Requirements call for a high scholastic average and evidence of financial need. These scholarships are awarded annually to young women

of promise and distinction. All applications must be completed by the first week in March in order for the awards to be presented this spring. Applications may be obtained from Mrs. Dorothy Gunn, 1318 Sandra Court, Upland, president of the Upsilon Chapter or from Mrs. Rob Schempp, 129 Casuda Canyon Drive, Monterey Park, 91754, national scholarship committee member.

Junior high club

stages stamp drive

UPLAND -- The Communications Club at Pioneer Junior High School is staging a "chip in" drive for Blue Chip stamps to obtain a movie camera, projector and editor-viewer.

The seventh grade students have already demonstrated ability to make films, according to Mrs. Marty Mann, seventh grade teacher at the junior high. Students have produced several films for class projects ranging from one entitled "Yawn" to an ecology film "If It Would Only Disappear."

They also wrote commercials for 30-second radio spots which were designed to teach them how to persuade and to sell a product.

It costs a group of 3 to 4 students about \$1 each to buy film and pay for processing. Students who did the first semester's projects had to use equipment belonging to their parents, so the two teachers decided to have the students help raise enough stamps to buy

the necessary camera equipment.

It will take an estimated one hundred books of stamps to reach their goal. In order to promote the project, the students are making posters and writing bulletins to display around the school. They will also have a commercial on KSOM radio.

Persons wishing to donate books may bring them to the school at 245 W. 18th St., Upland.

Youth activities

Scout swim lessons

Starting on Saturday, March 6, the Pomona Valley "Y" will conduct an 8 week series of swimming lessons specifically for Boy Scouts and Girl Scouts who are trying to earn their Swimming and Lifesaving Merit Badges. The Swimming Merit Badge Class will meet on Saturday from 11 a.m. to 11:30 a.m. The Lifesaving Merit Badge Class will also meet on Saturdays from 11:30 a.m. to noon.

Instructing the class will be Jeff Stanley who is certified as a Water Safety Instructor by the American Red Cross.

For additional information please call John Ekrem, Physical Director, at 623-6433.

GS Week activities

More than 26,000 Girl Scouts of the Spanish Trails Girl Scout Council will join 4 million scouts aged 7 to 17 throughout the United States in celebrating their 59th anniversary during National Girl Scout Week, March 7-13.

To Know -- To Care -- To be Involved. This is the theme of a Girl Scout Commitment launched at the start of this decade. Called ACTION 70, it is a nationwide Girl Scout effort to become more aware of prejudices, and to take action to build better relationships among persons of all ages, religions, races and nationalities.

The girls in Spanish Trails Council give thousands of hours of service each year. The girls scouts are working with people in hospitals as Nurses' Aides -- in day care or head start centers, where they help provide temporary care, recreation and welfare for children in the community -- providing day camps for children from special areas -- assisting in classrooms, tutoring or leading after-school activities -- working with handicapped persons -- working with Senior Citizens -- and in other endeavors.

Girl Scouts have been active in preserving the environment for 59 years. The girls in Spanish Trails Council first learn nature lore, then conservation. Now, through the program Eco-Action, they are cleaning up roadsides and lake areas, they are waging an all out war on the litter bugs. In brief, girl scouts are wherever the action is and are looking for new opportunities to serve their 33 communities.

PV YMCA

The Pomona Valley YMCA will sponsor a synchronized swimming lecture - demonstration on Thursday, March 4, at 8:15 p.m.

The areas to be covered are Swimming skills, Skilling, Stunts, and routines. Participating will be girls who have been members of the Y's synchronized swimming class for the past six weeks. They are JoAnne Lowell, Terri Williams, Anna Penwitz, and Carol Clark. The instructor is Miss Betty Clark. The program is free of charge and the public is invited to attend.

Smith-Paine

UPLAND - A second bridal reception in the form of a dinner-dance was held Jan. 24 at the home of Mr. and Mrs. James H. Smith of Upland in honor of the marriage of Miss Suzanne Paine of Caldwell, Idaho, and their son Jim L. Smith of Upland.

More than 150 friends and relatives attended. The couple were wed Jan. 9 in a morning Mass in the Santa Sophia Catholic Church, Spring Valley, California. The Rev. John Horner, pastor of the church, officiated.

For the rites, the bride, daughter of Mr. and Mrs. Marlin Paine of Caldwell, Idaho, wore a white, floor length empire gown with full sleeves trimmed in daisies. Her full length, daisy-edged mantilla fell from a Juliette cap and she carried a nosegay of white roses, carnations and stephanotis. She was given in marriage by her father. The new Mrs. Smith was attended by her sister Voni Paine of Caldwell, Idaho.

Standing with the bridegroom was Ben Lautenslager, III, of Ontario, as best man. Rick Smith, brother of the bridegroom and Johnny Paine, brother of the bride, served as ushers.

The first wedding reception, a dinner, was held in the Oxbow Inn in Spring Valley. Following a wedding trip to San Diego and Lake Henshaw the couple established their home in

Mr. and Mrs. Jim L. Smith

Ontario. Both the bride and groom attend La Verne College. She is a sophomore and he is a senior. A graduate of Upland High School, the groom is majoring in biology and chemistry at the nearby college.

Special guests attending the wedding were Mr.

and Mrs. John Paine grandparents of the bride, from Idaho.

Miss Badders

SAN DIMAS - The engagement of Miss Sharon Kay Badders of Pomona to Edward Thomas Swihart of San Dimas is announced by her parents, Mr. and Mrs. Robert Badders.

A 1969 graduate of Pomona High School, Miss Badders will be graduated from Mt. San Antonio College in June. She

is employed part-time as a MSAC secretary.

Her fiancé, son of Mr. and Mrs. Donald E. Swihart of San Dimas, is a Bonita High graduate who will also be graduated from MSAC this summer. He is an employee of Fellowship Press, Covina, and is a pressman at the Youth for Christians organization in Covina.

Why do so many local businessmen prefer Inland Bank?

They like the fact that funds placed with Inland, whether in savings or commercial accounts, are put to work right here in our community. And they know these funds help to finance the continued growth of this area in which they've staked their futures. Shouldn't you make it your business to do business with Inland too?

Miss Mensen

MONTCLAIR-Mr. and Mrs. Clarence Mensen, Montclair, announced the engagement and forthcoming marriage of their daughter Jane, to Dean Mai.

Jane, a graduate of Montclair High School and the Los Angeles County Medical Center School of Nursing is currently employed as a registered nurse at San Antonio Community Hospital, Upland.

Mr. and Mrs. Donald Mai, parents of the prospective bridegroom reside in New Hampton, Iowa. Mai was recently discharged from the Marine Corp as a Lance Corporal and is currently employed in New Hampton.

The couple plan to take

Jane Mensen

their vows in June at Our Lady of Lourdes Catholic Church in Montclair.

Whitus-Woodard

LA VERNE-In double-ring rites at Grace Baptist Church of Riverside, Miss Pamela Jean Woodard, formerly of La Verne, became the bride of David Emory Whitus.

The Rev. Severin Bernas read the ceremony. The bride, daughter of Mr. and Mrs. William Woodard of Riverside, wore a white satin gown fashioned with lace appliques, empire lines and long sleeves. A jeweled tiara held her fingertip veil, and she carried a bouquet of roses and carnations centered with a white orchid.

She was given in marriage by her father, Miss Tanya Green-

wood served as maid of honor, and bridesmaids were Mrs. Yvonne Campbell and Mrs. Jain Stewart. Candelighter was Miss Helen Beckstead, and Terri Elliott was flower girls.

Robert L. Stewart was best man for the son of Mr. and Mrs. Emory Whitus of Riverside. Ushers were John Woodard and Ray E. Robnett, and Robert Woodard served as candelighter. Mark Kevin Souther was ring bearer.

Having honeymooned at Crestline, the newlyweds will reside in Riverside after his release from the Army. He is now stationed at Ft. Carson, Colo.

Broncos bump Saints

SAN DIMAS -- In the opening round of the IA CIF basketball playoffs last Tuesday night at Banning High School, the Saints succumbed to the Banning Broncos 72-42. San Dimas, the Cinderella team of the playoffs, had compiled a 16-6 record in their very first year of existence. Of the probably 100 teams that were involved in post season playoffs, there were over 500 that did not make it, which makes it even more unbelievable.

It appeared from the opening tip-off that the Saints might give Banning a run for their money, as the 15-11 first semester score promised, but the ability of the bigger, better-balanced Bronco team enabled them to get the ball inside to big (6-5) Edmund Dukes and Rufus Conner (6-4) who were able to storm their boards on the rare misses, and take advantage of follow-shots was too much.

The Saints hustled from the very beginning and did not appear to notice they were behind on the scoreboard. High point man in the game was the sharp-shooting Bronco guard, Johnny Robinson, who swished 23 points, Duke's 17 came mostly from jumping lay-ups.

Super Soph Jeff Nel-

son, as usual, led the Saints' attack with 16, the last 6 consecutive points via the free throw route, followed by Wayne Moses' 15. Two other Saints scored, John Schober, on jump shots from the key, and Jim Schaumleffel, who sunk a charity toss. Schober fouled out with 1:46 to go in the game, Jerry Klein, limping with a twisted ankle, turned his good ankle, and also collected enough fouls to force him to the bench.

Coach Bob Espinoza had planned to try and get any kind of a lead and play a ball-control game, which has probably been the only weapon available to an outgunned team, but Banning didn't allow themselves to get behind.

It would appear that Banning will probably not survive the second round of the playoffs as they will face senior high teams who are much more experienced than the Saints and who will burn the Broncos alive if they commit anywhere near the 29 turnovers, as against the Saints, it could have been the opening round jitters, but time will tell.

The Saints were out-rebounded only slightly (34 to 28), which points up the tremendous hustle

of the relatively small San Dimas squad.

Banning was not ranked in 1A, at least in the top 5, which is all that is released by the CIF office. Those rankings are, in order, Brethren (25-1), Desert (20-1), tie between 29 Palms (21-3) and Aquinas (18-5), and a 3-way tie between Notre Dame (16-6), Lutheran (18-8) and Bishop Diego (14-8).

Notre Dame and Aquinas were on the Saints' menu during the season, Banning, the De Anza League rep, tied for the runner-up spot, and has to contend with these Giants of the 1A, two of whom scored 100 points or more in the opener.

There was not one dissenting voice among the capacity crowd, about evenly divided between home and visitors at Banning, who did not feel the Saints deserved a tremendous amount of credit for even making the playoffs. This is a rare occasion for a new school. Their many loyal fans who have to travel many miles to follow their team on the road seemed extremely pleased with their team in spite of the disappointing loss.

The outstanding personnel on nearly every athletic team points to an extremely bright future for the school. The coaching staff has very impressive credentials, probably more so than any newly-formed high school in the Southland.

"Wait till next year," You'd better believe it, Charlie! And for many years to come.

Leos best game

LA VERNE -- The La Verne Leos basketball team played possibly its best game of the season Tuesday night against Southern California College, winning 72-64.

The La Verne players started out quickly, hitting everything they shot, with Dean Jackson and Johnny Jones having a great shooting night. Ron Tyler grabbed up the rebounds to put the game out of reach by half time. SCC made a bid to come back, but Coach Art Bias' team wouldn't let up, and proved to be too much for the visiting team.

La Verne had a hurting

loss to Chapman College the previous Friday, with the final score 103 to 88. Coach Bias is saying "wait until next year, and La Verne will have to prove it, with 11 and 18.

Against Southern California College, Dean Jackson led all scorers for La Verne, with 20 points; Johnny Jones, 19; Ron Tyler, 13 and 18 rebounds. Other scorers were White, 4; Maloney, 5; M. Jackson, 8; and Tutthill, 3.

Scorers for SCC were R. Miller, 19; D. Payne, 17; Harper, 10; Rinker, 10; J. Payne, 4; Gregg, 2; and Hoffman, 2.

La Verne College admitted to SCIAAC

LA VERNE -- La Verne College has been admitted into the Southern California Intercollegiate Athletic Conference (SCIAAC), according to Joseph B. Platt, president of Harvey Mudd College, Claremont, who made the announcement Saturday that the membership will become effective in the fall of this year.

The college is actually being re-admitted to SCIAAC. An early member, La Verne left the conference in 1938 because of the pressures of maintaining an athletic program just prior to World War II. It has in

recent years been negotiating to be re-admitted. La Verne joins six other teams of the conference: Pomona, Harvey Mudd, Caltech, Occidental, Redlands and Whittier. La Verne needs to add an additional sport to conform with a rule governing SCIAAC play. The school currently doesn't have field teams in soccer, swimming or water polo.

One reason for the admittance of La Verne was that SCIAAC needs another member, since Caltech has dropped varsity football competition.

Roland Ortmyer is already busy planning the new league schedule for next year. College officials are agreed that the new program will have its advantages with the incentive of shooting for league championships.

The league rules include two significant regulations: member institutions do not award athletic scholarships, and that each member field teams in at least 80 per cent of those sports in which the conference engages.

Pony League slates meeting

Cucamonga Pony League will conduct a general meeting March 8, at 7:30 p.m., at Carnelian School auditorium. This will be the last regular meeting before the opening of the baseball season April 10. The meeting is for all parents and interested adults.

CHURCH NEWS

Nazarene Church

UPLAND - "3", a 75-minute motion picture, in color, will be shown at the Upland Church of the Nazarene on Sunday, Mar. 7, at 6 p.m., according to the pastor, the Rev. Irving E. Sullivan.

Produced in consultation with students and campus leaders in various areas of the United

States, "3" tells the story of a transfer student who finds the life style of a big university disquieting compared to the prior climate and associations he had had at a small, church-related school.

Drugs, moral attitudes and views on religion catapult him into defensiveness, disillusionment and near despair.

Then, to his surprise,

he finds another side of the coin - students who have come to terms with life, with faith in God, and who radiate a confidence and purpose in life unknown to the newcomer's prior sheltered existence.

United Methodist

CUCAMONGA -- The Mission Commission of

the United Methodist Church of Cucamonga is sponsoring a "South American Happening" in Klusman Hall Sunday, March 7.

Activities will begin at 5:30 p.m. with a taco dinner. Following dinner, music and dances of South America will be presented by the junior and senior high groups.

The Rev. and Mrs. Jerry Williams will show pictures of their life and work in Chile.

cluded will be Chuck McAllister, Nancy Lint, Sherry Shepherd, Linda Hutchison, Pam McAllister and Dina Goggia.

On March 5 at 6:30 p.m., couples in the church will meet to organize formally, at the Ramona Church Fellowship Hall. Mr. and Mrs. George Merritt, district Mariners skippers, will be guests.

Joint services

DIAMOND BAR - The congregations of Mt. Calvary - Diamond Bar and Christ the King Lutheran-Walnut invite the community to its joint Lenten services, which began Ash Wednesday, Feb. 24.

The brief Lenten services will be held each Wednesday through Mar. 31 at Christ the King

Lutheran Church, 555 N. Garret, Walnut, 7:30 p.m. Rev. John Watkins, Pastor of Mt. Calvary Lutheran Church will deliver the message. All are welcome.

Christian Science

Man's true nature will be explored at Christian Science services Sunday.

Scriptural selections in the Lesson - Sermon on "Man" include this verse from the first chapter of Genesis: "God created man in his own image, in the image of God created he him; male and female created he them."

An invitation is extended to all by First Church of Christ, Scientist to attend services at 1429 No. Euclid Ave., Ontario beginning at 11 a.m.

Glass buys sidewalk

MONTCLAIR - The congregation from Montclair United Methodist Church has been saving their glass jars, bottles, etc., normally thrown in the trash, since last July. The ladies have turned in the glass for cash at the recycling plant and now have enough money to use toward improving their church grounds.

This past Saturday, Feb. 27, the men of the church poured concrete for a new sidewalk from the parking lot to the church entrance.

The ladies plan to continue turning glass into cash instead of trash in the hope of improving church property even more.

Plea for coupons

MONTCLAIR - The ladies of Montclair United Methodist Church are about to complete their project of saving Betty Crocker Coupons for OPARC School. All coupons must be turned in to the Betty Crocker Company by March 15. Therefore, project chairman, Mrs. R. Underhill asks that anyone having any more of the coupons please turn them in as soon as possible. They may be turned in to the OPARC School on Monte Vista Avenue in Montclair (across from May Company) at Montclair United Methodist Church, Fremont and Benito or call Mrs. Underhill to have them picked up - (NA4-4445).

Adoptive Family seeks members

UPLAND - The Adoptive Family Association is seeking new members.

The association was formed in November, 1969 by local families who have the common bond of at least one adopted child. Membership is open to prospective adoptive families as well.

One of the major purposes of the group is to promote and further adoptions. The association also stresses service and social activities, with emphasis on family participation.

The group has projects to aid such organizations as the Joseph Paige camp

for boys, LeRoy Boys Home, the West End Cottage home school for pregnant girls, and the county Welfare Department.

The association tries to be of service to prospective adoptive couples in answering any questions they may have concerning adoption, at their general meetings which are held the third Friday of each month, 8 p.m., at the Upland Library. Any interested couples are invited to attend.

Some of the social activities held throughout the year include an Easter Egg Hunt, 4th of July picnic, a summer swim party, Halloween party, and a Christmas party - with a donation of gifts to county foster children.

Anyone wishing further information regarding the association may contact Mrs. Richard Koch, 984-6067.

Y spring program to be introduced at luncheon

On Thursday, March 11 the YWCA of Greater Pomona Valley will present a spring class program at a salad luncheon at the Trinity United Methodist Church, 676 N. Gibbs, Pomona. Sign-ups for classes will be taken for classes beginning at 11 a.m., and the luncheon will start at 11:30 a.m. Every member is asked to bring a salad. Non-members who are interested in the class program are invited as guests. Nursery care will be provided at the church nursery.

A class in macrame will be taught by Mrs. John Gingrich beginning March 15, for three sessions. The classes meeting at 2714 2nd St., La Verne, will learn to make wall hangings, belts, and other fun crafts with the new art of macrame. Also on Mondays will be a teenage modeling class, taught by an instructor from Studio Seven. The class will begin March 22 for five sessions from 3:45-4:45 p.m. at the Trinity United Methodist Church in Pomona.

For physical trim and figure building, the Pacific Coast Gym, 1065 E. Holt, Pomona, is available for women on Monday, Wednesday, and Friday, 10 a.m. - 10 p.m. On Tues. and Thurs. there will be a class offered in slim and trim and volleyball, beginning March 16 from 9:30-10:30 a.m., for 12 sessions. This will take place at the Trinity United Methodist Church. Also for figure building, daytime and evening classes will be offered in yoga. Mrs. Dana Ballmer will conduct an evening session from 7:30-8:30 p.m. at the Church of the Brethren, Pomona, for six sessions beginning Tuesday, March 16. The daytime class will be conducted at the Trinity United Methodist Church, beginning March 17, from 9-10 a.m. for six sessions.

A class in Show and Tell special crafts will be from 10:30-12 on Tuesdays, beginning March 23 with a class candy-making. The other sessions will be March 30, Easter eggs; April 13, bread and yeast rolls; April 20 Hairpin lace; April 27, rope pearls;

Symphony Assoc.

The West End Symphony Association will present Virginia Eskin, internationally known pianist, at the March 5 concert, Upland High School Auditorium, 8:30 p.m. Miss Eskin has won numerous contests, including the recently established Emma Feldman competition in Philadelphia. A recital at the Academy of Music in Philadelphia was one of the awards. The judges chose the young pianist because of the "grandeur in her playing."

At the request of Rudolf Serkin, Miss Eskin performed at the Marlboro Festival in 1964 and was given a grant to study at Tanglewood. She has toured in recital in the U. S. and England, and has appeared with orchestras in London, Boston, Birmingham, Portland, San Diego and Los Angeles. The pianist and her husband, principal cellist of the Boston Symphony, gave recitals in San Francisco, Santa Rosa and San Diego.

Reviews have compared the eloquence of her playing to the likeness of a passing dream with her delicacy of shading. Robert Cole met Miss Eskin at the famed Berkshire Music Center in Massachusetts, during his studies there last summer.

and May 4, corsages. Mrs. John Sievers is coordinator of this class, and there will be no charge for Y-members.

The YW-Wives ladies day out is held each Wednesday morning at the Trinity United Methodist Church. Those who wish to take classes on this day can join the YW-Wives for coffee before, after or between classes. Cake decorating will be instructed by Cathy Haackinson beginning Wednesday, March 17, at 9:30 a.m., for the six sessions.

There will be a new

class offered in the art of Decoupage. This will be a daytime class from 3-4 p.m., and an evening class from 7:30-8:30 p.m. at the Trinity United Methodist Church. There will be four sessions beginning March 17 with an evening nursery available. Tennis classes will be conducted by Dan Pergrin at the Palomares Park Tennis Courts in Pomona. These classes will be on Wednesday for 8 lessons. A teenage macrame class will be instructed by Mrs. John Gingrich, beginning April 14 at the YWCA office in

La Verne. The class will meet from 7:30-9:30 p.m. for three sessions. A class in beginning crocheting will be taught by Mrs. Merle Butterbaugh from 9:30-10:30 a.m. beginning March 17, for four sessions. The class will meet at 2314 Third St., La Verne.

A sewing class where cutting, altering, pattern making, short cuts, sewing on knits, choice of materials, and sewing on jersey will be taught, will meet for eight sessions. Creative stitching will be taught by Mrs. John Mainiero in six sessions.

These classes will both begin on March 18 at 9:30 a.m. at the Trinity United Methodist Church.

On Thursdays there will be a Gourmet meal planning class. On March 25, Mrs. Ruby Beilby, a food and nutrition teacher at Cal Poly, will demonstrate how to make Swedish pancakes. This class will be from 10:30 a.m. to 12 p.m. On April 1, Mrs. Lucille La Bellarte and Mrs. John Anastasia will demonstrate how to make Italian Easter bread and Italian Christmas pastry from 10:30 a.m.-noon. In the

evening from 7:30-9:00 p.m. on April 15, Miss Agnes Bourdon will teach about cooking in France, and Miss Francisca Gurio will teach Philippine cookery. Both are students at La Verne College. In the evening, April 22, Japanese foods will be taught by Mrs. Judy Ishikawa and Miss Grace Mizoguchi. They will show how to make teriyaki sticks, tempura, sushi, won tong, and other delicacies. On April 29 from 10:30 a.m.-noon, Mrs. Mary Hernandez will teach Mexican cookery. Mrs. Evelyn Hol-

linger, La Verne city hostess, will conduct a session on May 6, from 10:30 a.m.-noon, entitled "How To Get Hooked Eating Healthfully."

For further information please call the YWCA office, 593-4200, located on Third St., La Verne. Other classes may be requested by calling the office. Child care is available for classes on Tuesday, Wednesday, and Thursday at the Trinity United Methodist Church. The charge is 50 cents per child and 75 cents for two or more. Mrs. Lelia Perry is in charge.

Power shortage not expected

Southern California Edison Company does not anticipate a power shortage to its customers this summer, despite earthquake damage to the Sylmar Converter Station, southern terminus of the Pacific Intertie System, an Edison spokesman said today.

Other sources earlier predicted a power crisis in the late summer months. "Edison has adequate generating capacity available from its major generating stations to meet anticipated summer peak power demands on its system," according to the Company's spokesman. "There is no likelihood of a summer power deficiency in Edison's 50,000 square mile service territory in Central and Southern California," the official said.

When in operation, the direct-current transmission line of the Pacific Intertie delivers low-cost "dump energy" from hydroelectric plants in the Pacific Northwest, he said. Edison normally would use this source to replace electrical energy from local plants using higher cost fuel. The loss of the DC line will only result in increased utilization of the power from Edison's own system generating plants in Southern California, the spokesman said.

In addition, Edison can still obtain some energy purchases from the Northwest over the 500,000 volt alternating current lines which are also part of the Intertie.

What makes this so remarkable, Mott added, is that this represents sales only through the month of April, since no reservations may be made for more than 90 days in advance.

"This is the first year we have had such a limit," Mott said. "Now, those who cannot plan their vacations more than a few months ahead or early in the year will not be at a disadvantage -- they will have as good a chance as anyone else of getting a campsite in any state park they choose."

Cooperation sought in air accidents

A new aviation accident prevention program designed around the cooperation efforts of the entire aviation community to aid in the reduction of general aviation accidents was announced by Arvin O. Basnight, Director of the FAA's Western Region.

Each of the FAA's 20 General Aviation District Offices within the nine-state Western Region will be assigned a specialist whose primary duties will be the Accident Prevention Program. The Accident Prevention Specialist will be available to discuss aviation problems with groups or individuals, assist in developing safety programs for aviation organizations and fixed base operators, and the development of aviation accident prevention information and educational material for use in Safety Seminars with the aviation public.

The program is designed to reduce accidents through persuasion rather than coercion, through cooperation rather than enforcement. Although assigned to a general aviation district office, the Accident Prevention Specialist will not have enforcement duties.

Prior to the actual implementation date of 10 March 1971, the newly appointed Accident Prevention Specialists will attend a week long training course at Western Region Headquarters early in February.

In commenting on the new program, Mr. Basnight, said, "The accident rate in general aviation last year was the best on record, but still not good enough. We are convinced that with the cooperation of each and every member of the aviation community, we can and must do better."

Campground computers a success

State Parks and Recreation Director William Penn Mott, Jr. said today that the first full month of operation is an indicator then his department's new computerized campground reservation system is a resounding success.

Since January 4, Mott revealed when the more than 230 Ticketron terminals around the state began accepting reservations for campsites at State Park campgrounds, nearly \$50,000 in advance sales have been recorded. This amounts to more than 4300 tickets sold to reserve some 15,500 nights of camping.

What makes this so remarkable, Mott added, is that this represents sales only through the month of April, since no reservations may be made for more than 90 days in advance.

"This is the first year we have had such a limit," Mott said. "Now, those who cannot plan their vacations more than a few months ahead or early in the year will not be at a disadvantage -- they will have as good a chance as anyone else of getting a campsite in any state park they choose."

Mott added that reservations for Hearst Castle tours are also available at Ticketron terminals. If none is handy, reservations for both campgrounds and Hearst tours may be made directly with the department at its headquarters in Sacramento. For information and reservation forms, write or visit the Reservation Office, State Department of Parks and Recreation, 1416 Ninth St., Sacramento, 95814.

PUC recommends SCE rate increase

The staff of the California Public Utilities Commission has recommended Southern California Edison be granted a \$56,113,000 annual rate increase for a 7.75% return on its investment for those operations under the jurisdiction of the PUC.

Edison is seeking a \$128 million increase and a return of 8.54% on its PUC jurisdictional operations, or 8.4% overall. In a series of exhibits and testimony prepared

for introduction at public hearing currently in progress on the Edison request, the Commission's staff says that at present rates Edison should earn from its California jurisdictional customers a return of 6.84% in 1972 and that at rates requested by the utility, that return would be 8.92%.

Edison contends it would earn from its California jurisdictional customers only 6.46% in 1972 at present rates and says a \$128 million in-

crease would yield only an 8.54% return.

Staff engineer R. C. Moeck said in his prepared testimony that the two major differences between the staff and the utility were in estimating future fuel costs and wage levels.

Moeck termed these future costs "unpredictable" and recommended the Commission determine a reasonable level of earnings without speculation about these items. Instead, Moeck said, the

Commission should provide a means for expedited offset relief for the utility if these costs rise appreciably in 1972.

Other differences between the staff and the utility are over expenses involving taxes, production, transmission, distribution, promotion dues and donations, and exploration. For example, Moeck recommends no increase in 1972 for sales expense.

"I believe that sales expense should not be directly related to customer growth... In view of the rising costs and public concern over any sales promotion expense, the utility should make such adjustments as necessary

not to increase the dollar level," Moeck said.

Moeck also discounts \$722,000 of Edison's estimate for expenses relating to administrative and general office salary expense.

"I have not included \$47,000 of dues to Chambers of Commerce and similar organizations," he said.

"The second difference is the result of not including any amounts for exploration and development expense for uranium and geothermal development.

"In excluding these amounts I am not criticizing the utility for its efforts in seeking sources of energy with which to generate electric energy.
